

TempScreen Fence

Sydney Royal Easter Show 2023

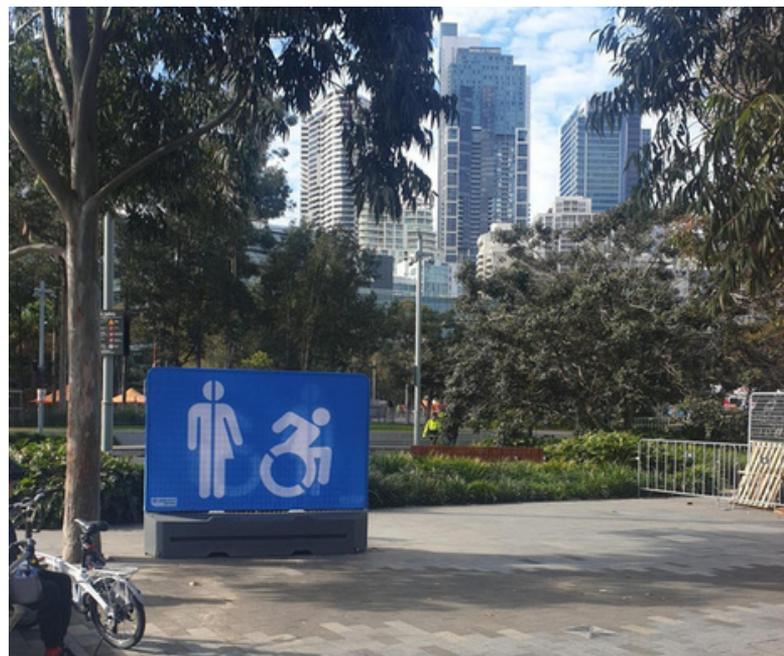

TEMPORARY SCREEN FENCE PANEL & BASE

The TEMPORARY SCREEN FENCE is a water filled ballast block which fits our custom mesh fence panels. The Temporary screen fence is a durable product which has the ability to adapt to corners, angles and uneven ground due to its design. The new product also creates a straight line pedestrian walkway reducing trip hazards.

The Temporary Screen Fence has been designed to enhance the look of other temporary fence options currently available.

The compact footprint makes it an ideal solution for small activations within an event such as entry and exit points of amenities.

- Australian made & manufactured. Aesthetically attractive & highly durable.
- Wind loaded rating to Zone B (18 m/s with hoarding)
- Conforms to AS 4687-2007.
- Easy to deploy onsite.
- Grey bases to enhance event aesthetic.
- Size: H 2m x L 2.4m x W .5m
- Weight 23 kg approx empty.
- Weight 393 kg approx filled.
- Fork Lift loading (Standard 2 ton fork).
- Stackable - saving storage requirements.
- Can be used alongside other temp fence products.
- Customizable "fence socks" available. Can be custom printed and reusable Designs can include directional instructions, site maps, amenity signage, sponsorship and activation signage.
